## SOCIAL EVENTS

Certainly if the introduction to her future home stands as an omen of what is in store for Mrs. Walter Matthews the future will be one continuous round of pleasure, because last night and yesterday afternoon Maysville, Mayfield and Flemingsburg society came en masse to pay to her its homage of good wishes.

Society has not had so just a subject in a long time, for the bride, whom Dr. and Mrs. Edwin Matthews honored yesterday as the wife of their brother Walter, is a most fair woman, with that dignity of bearing, gracefulness of mien and general queenliness which fascinates and captivates. She, of course, was the center of attraction, and at no time did she ever fail to respond with an attribute, disarming criticism and spontaneously calling forth compliments and love tidbits which placed her at once at home and among friends.

Her gown was the bridal toilet she wore ten days ago. It was a most beautiful creation—Paris muslin with lace and tulle effects deftly woven. The train was sweepingly graceful and with her hair exquisitely arranged, framing a face radiantly happy, she made a living picture most beautiful to see.

About one hundred guests responded to the evening invitations and the pleasures enjoyed were dancing and cards, with a delicious lunch served in the dining-room during the time. Possibly no handsomer display of feminine toilets has been made, at any function in a long time. The girls in themselves were beautiful, but in their minis, organdies and silks, with lace and tulle and flowers, the sight was richly dazzling and most bewildering.

The receiving line was made up of Dr. and Mrs. Edwin Matthews, she wearing a superb shimmering silk effect sent her by her brother, Captain Power, while he was in the Philippine Islands, the texture of which is like sea foam, the gloss like pearl and the richness of panne in quality. The natives call the weave Jean. Dr. and Mrs. Walter Matthews; Miss Turner of Eminence, a sister of the bride, white minis and lace; Miss Collins of Flemingsburg, white satin and lace; Miss Cassidy, Flemingsburg, pink organza; Miss Power, Flemingsburg, white organza; Miss Given, Flemingsburg, white organza; and Mr. Church Myall,

Monday is Mason County Court Day. Stop for sale at Limestone Distillery on and after the 15th.

Mrs. Elizabeth Johnson of West Fourth street remains quite ill.

Wanted—At once, an Electrician to recharge a Battery, adjust an Electric "Keeper," and repair a Doorbell. Apply at this office.

Mr. Richard Harrington of Louisville and Miss Eleanor Gillespie Hart, giving her home in Mason county, were married last night in Covington.

Miss Edna, daughter of Conductor Peper of the C. and O., and Mr. J. T. McDaniels, Conductor on the N. and W., whose home is in Portsmith, were married in Covington last night.

On Saturday evening, February 7th, Olive Encampment, I. O. O. F., of Covington will confer the Royal Purple Degree on some candidates, and Grand Patriarch J. Barbour Russell of this city will attend and ride the goat.

Miss Edith Berry is arranging a trip around the world for the enjoyment of the citizens of Lewisburg, the proceeds of which will be given to the Baptist Church. The date is February 12th and we, knowing Miss Berry's ability, bespeak a successful and enjoyable evening.

The many friends of Mr. Thomas sympathize with him in the loss of his aged and devoted parent.

The news of the death of Miss Jessie Hoffman will be a shock to her many friends in this city.

Her death occurred yesterday at the home of relatives at Trinity, Lewis county, where she was visiting.

Deceased was 19 years of age and had been ill from consumption.

Her remains were brought to this city and the funeral occurs at 12 o'clock today from Seddon's Chapel, Sixth Ward.

Interment in the Maysville Cemetery.

**GEORGE S. ROSSER.**

**Cruel Report Yesterday of the Newspaperman's Death.**

**TRIBUTE TO THIS WORTHY CITIZEN.**

Early yesterday morning there was a cruel report abroad that Colonel George S. Rosser, one of the founders and the senior proprietor of The Bulletin, had been stricken by Death.

To the joy of all who knew him, the report turned out to be false.

He had been severely attacked with asthma the night before, but had rallied, and now bids fair to remain in the flesh, a pleasure to his friends, for many years to come.

George Rosser is more than a mere newspaperman.

He is a friend to every struggling young man; and more than one owes his present success in life to his words of encouragement and substantial assistance.

He is an honorable, just, scrupulous and gentlemanly competitor, ever ready and anxious to extend a courtesy or to do a favor to his opponent.

Big of body, his heart is bigger still; and few, excepting himself and the recipients, will ever know of the hundreds of quiet charities bestowed by him.

The Ledger Man has been George Rosser's business rival for thirty-seven years; and in all that time has found him the same as he is today—

A Gentleman and a Friend.

Cartmell extracts teeth without pain. The Lewis County Grand Jury returned 27 indictments.

Prof. T. M. Gaines of Vanceburg declined an appointment as teacher in the Rosebud (South Dakota) Indian School, recently tendered him.

Romona, little daughter of Mr. and Mrs. James Mathewson of Vanceburg, was severely scalded a few days ago by a vessel of hot water turning over on her.

There are now seventy-eight inmates at the Confederate Home at Pewee Valley. The youngest is E. D. Shrum, who is 51 years of age. The oldest is Captain R. B. Terrill, who is aged 86 years.

**TO CURE A COLD IN ONE DAY**

We have placed on our counters about 250

## MEDIUM-WEIGHT SUITS!

**That We Will..... \$6 to \$10 a Suit!**  
.....Sell at From

None worth less than \$12; many of them sold for \$15 to \$20.

We need the room for our spring purchases.

They go on sale Saturday.

"No such Clothing" was ever offered "at such prices."

**THE HOME STORE. D. HECHINGER & CO.**

## IT PAYS TO EXPLORE THIS STORE.

Don't be satisfied with the bits of news we print in the papers. For many reasons some of our best bargains never get into print. Some time the lots are small and are snapped up before they're fairly on our counters. Again, there are so many things to advertise, before we find space for a certain bargain its ranks are so depleted we haven't the ad quantity necessary. When you are downtown step in and ask to see the day's bargain. That is the best way as now is the halcyon time for money savers. Special inducements must be offered to coax trade. Watch our advertising space of course and our window but above all visit the store to see and examine the saving opportunities we create for you daily. For instance: If we were to give you merely your money's worth we would charge 75c for this 16-inch bleached crash but we give nearly double your money's worth when we say 4c a yard. The crash is neatly bordered in blue and is a close, firm, even weave.

## Women's Run-About Skirts!

Hardly a month passes without our adding to the stock of utility Skirts, though judging by what shoppers tell us we might double the time without any additions and still have the most satisfactory stock in town. You notice we do not say the biggest stock. We don't aim for that. We never buy a great quantity at a time, only enough to be sure of fitting you for the well-groomed woman today demands the same perfection of fit in a skirt that she does in a waist. And that is what she will find in these beautifully tailored skirts of black or dark gray cheviot. Seams are heavily stitched; also edge of flared sunburst flounce. We'd like to whisper the price for until you see the skirts you won't believe it possible to buy such perfection of quality, fit and finish for \$5.

**D. HUNT & SON.**

## The.... Phenomenal Success

Of our mid-winter sale of Men's and Women's Fine Footwear has been so pleasing that we have decided to signify our appreciation of the liberal patronage bestowed on us the past week by the people of Maysville and vicinity by broadening the bounds of this sale beyond the original intention; therefore, until stock is sufficiently reduced, we continue to offer

**MEN'S \$3.50, \$4 and \$5.00 SHOES at \$3.**

**MEN'S Extra Fine \$4.50, \$5 and \$6 SHOES at \$4.**

**WOMEN'S FINE \$3 and \$3.50 SHOES go at \$2.50.**

These are bona-fide reductions—bargains that should be seen to be appreciated—offerings seldom made on shoes of standard make.

**BARKLEY'S.**

Holders of certificates Nos. 2,242, 2,574, 9,197 and 477 will please present them immediately for redemption.

MR. CHARLES M. MEACHAM, the member of the Democratic State Executive Committee who is seeking to have the proposed Democratic primary of May 9th annulled by legal process, says that Chairman ALLIE YOUNG is either deceiving himself or the people as to the cost of the primary. He declares that instead of \$16,000, the figures estimated by Mr. YOUNG, the election will cost fully \$50,000. This will shut out everybody but members of the monied ring at Frankfort.

In the House last week an attempt was made by the Republican "leaders" to pass a bill providing a special coinage for the Philippine Islands. With the aid of enough sensible Democrats the Republicans who were not leaders defeated the bill by a vote of 146 to 128. A substitute was then passed making United States money a legal tender in the archipelago. It may not suit the anti-Imperialists, but to every-day common sort of people it looks like money that is good enough for Maysville is good enough for Mindanao.

THERE doesn't seem to be a rush on the part of Kentucky Democratic papers to denounce the outrages of Republicans in the Colorado Legislature. This may be due to the fact—probably forgotten by most people—that Kentucky's Democratic Legislature in 1896, at the command of Jo BLACKBURN and his armed adherents, forcibly expelled Dr. WALTON and Representative JAMES, two Republican members, armed men filling the cloakrooms and lobbies, breathing out threatening and slanderous language against independent Democrats and Republicans alike, and for the first time overthrowing representative Government in Kentucky.

Bronseis has a Church clock wound by atmospheric expansion induced by the heat of the sun.

HERE AT HOME.

Maysville Citizens Gladly Testify.

It is testimony like the following that has placed "the Old Quaker Remedy" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Maysville citizen:

Mr. Elias Scudder, nurseryman, residing at 215 Casto street, says:

"I had a good deal of pain at times in my right kidney and it constantly grew more persistent. When I learned of Doan's Kidney Pills I could hardly sit down in a chair or rise without placing my hands to my back, and should I thoughtlessly bend over it pained me severely to straighten. I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and their use effected an absolute cure."

For sale by all dealers. Price 50¢. Mailed by FOSTER-MILBURN Co., Buffalo, N. Y.

Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

It having been fully established that President BAER of the odious Coal Trust is a Democrat, and that President HAVEMEYER of the iniquitous Sugar Trust is also a Democrat, it may yet turn out that Mr. J. Pierp Morgan, the Head Devil of the Money Trust, is a Democrat too.

TUE price of bituminous coal has been reduced in Maysville. Of course it is all on account of the removal by Congress of the Tariff of 67 cents a ton on that article, and the large arrivals of English and Welsh and Canadian coal in this city. Neither the warmer weather nor the receipt of coal from the mines in Pennsylvania, West Virginia or Kentucky have anything to do with it.

BECAUSE a Salt Lake paper published an article stating that the members from San Pete county "could change places with jackrabbits and the Legislature would be strengthened by their substitutes," the whole Legislature reared up on its hind legs and howled at the Editor. The San Pete delegation had opposed a compulsory vaccination law; and the Editor's only mistake was in calling them jackrabbits instead of jackasses.

The esteemed Paris Democrat has arranged a guessing contest on the coming Democratic vote for Governor. As a "pointer" to prospective guessers, it gives the vote in past elections, crediting GOEBEL, Democrat, in 1899 with 191,331. At the same election it ought to credit TAYLOR, Republican, with 193,714, and then explain, if its conscience will let it, just how that clear Republican majority of 2,383 was disposed of in order that an unconscious or perhaps dead man should be declared Governor in place of the man elected by the people.

## Political Pickings

### ANYTHING TO BE SENATOR.

Louisville Courier-Journal.

"Tis better to laugh than be crying" does not apply in the case of Senator Teller, who manages to weep himself with eminent success from one party to another. Though but a few years ago he was a leading Republican, he has just been re-elected by the Democrats to his place in the Senate which he has held as Republican, Populist or Democrat ever since Colorado became a state, with the exception of the time when he left the Senate to become a member of the Cabinet.

## EGGSTRAORDINARY STORY!

A Greenup Henette That Lays Eggs With Red Whites!

Greenup Gazette.

There is a person residing in Greenup who has a number of hens, and he heard that to place Venetian red in the drinking water for chickens would keep off disease and improve the health of his chickens. He tried it, putting a large quantity of the powder in the water. The chickens did not take to the colored water with much heart, except one hen that appeared to have a natural fondness for the liquid. She drank frequently and long of it, with the result that what should be the white of her eggs is a beautiful Venetian red. This is no exaggerated statement, but a fact.

## LESSON IN AMERICAN HISTORY IN PUZZLE

THE BATTLE OF LAKE CHAMPLAIN.

Find Benedict Arnold.

Both the American and British forces desired control of Lake Champlain, as it offered the only inland communication between the colonies and Canada. Both forces built fleets on the lake, the American fleet consisting of 13 vessels of a total of 88 guns, and the British fleet carried 80 guns. The American fleet was commanded by Benedict Arnold, and the first battle was fought on October 11, 1770, but was not decisive, though the Americans realized that they were virtually sure of being defeated if the fighting was renewed the following day. Arnold made an effort to steal through the enemy's lines at night and escape to Crown Point. He succeeded in getting through, but before he could reach Crown Point the British pursuit had drawn so close that he ran his ships ashore, destroyed them and fled with his men through the woods to Crown Point.

## After Sickness

Take Vinol—Our Great Strength Creator.

IT GIVES ONE A SPLENDID APPETITE.

AND QUICKLY REBUILDS THE SYSTEM.

We Will Refund the Price of Vinol if It Fails.

The worst part of sickness, frequently, is getting over it.

The patient's strength is depleted, his system is generally demoralized, relapses are continually feared, and naturally.

The one thing to aid recovery is to give the patient that which will enable him to get strong, and at the same time give strength direct to the different organs of the body.

Nothing will do this like Vinol.

It acts directly on the stomach, creates a healthy appetite, and enables the digestive organs to obtain the necessary elements to increase the weight of the patient and to make new healthy flesh and muscle tissue and pure, rich, red blood.

The following is a letter showing where Vinol was taken and did good after a case of sickness. It reads as follows:

"I wish to certify to the very great benefit which has been derived from the use of Vinol in my family. My wife was very sick with the grippe and afterward was wholly run down. One bottle of Vinol places her on her feet in better condition than she had been before in six months. I heartily recommend and endorse it."—HENRY F. STURTEVANT, 81 Huntington St., Brockton, Mass.

Everything that is in Vinol is plainly printed on the label of each package.

We know Vinol is a splendid preparation, and in many cases we have been able to see for ourselves the wonderful results it brings about.

Remember that we guarantee Vinol and refund the purchase money if you are not satisfied.

**SOMOTHER A COUGH.**  
You can smother a cough with your hand but you can't cure it that way. Some medicines only smother coughs.

Scott's Emulsion cures them. Old coughs and deep-rooted coughs can't be cured until the inflammation which causes them has been replaced by healthy tissue.

That is exactly the kind of thorough work Scott's Emulsion does. It changes the entire nature of the throat and lungs so that there is nothing to cough about.

Some fifty yards from the Northern entrance to the Maysville Cemetery, and on the rising ground to the left of the walk, is an iron tablet covering a lonely grave, bearing this inscription—

Without a cloud to dim

### WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small per cent. of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage

there is no ending except the grave. Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure,

This same remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Destroys the microbe of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the lungs.
- (8) Relieves the feverish conditions.

(9) Removes every cause of the cough and the stridor of the lungs.

(10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

#### CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live, dead woman." One Minute Cough Cure saved me." MARY F. SULLIVAN, Grand Rapids, Mich.
